

Attention:  
Manual operation  
of the contacts by  
hand during braking  
is forbidden. There  
might be a destruction  
of the semiconductors  
due to short circuit.

This wiring proposal has been prepared with great care.  
Nevertheless, PETER electronic GmbH & Co. KG does  
not assume liability for damage resulting from mistakes  
possibly contained in it. We reserve the right to make  
changes due to technical improvements.
